

O.S.A.T. Limited

ENVIRONMENTAL POLICY

Summary statement

O.S.A.T. Ltd is fully compliant with the requirements of The Environment Act, which became law in 2021, acts as the UK's new framework of environmental protection.

O.S.A.T Ltd is committed to leading the industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Develop new ways of delivering training e.g., VLE systems that minimize impact on the environment through greater use of technology.
- Reducing impact on the environment by promoting car sharing and delivering activity from centres that are close to local transport infrastructure.
- Be paperless in the office environment.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- O.S.A.T Ltd., will measure its impact on the environment and set targets for ongoing improvement.
- The Company will comply with all relevant environmental legislation.
- The Company will implement a training program, with annual updates, for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance.
